You will play each of the other teams in your pool for your first three (or four) games. Each pool has its own field(s) (as shown) for the morning on Saturday. We balanced the strength of the teams in each pool based on your W-L record this season and your results in last year's tournament.

Winner of coin toss gets choice of home or away in pool games. Home team offers a prayer before the game.

The team in parentheses is responsible to supply a base umpire. The tourney supplies plate umpires for all games.

Winner of the last pool game, please text or phone John Grosh (799-9550) with the scores from your pool. Umpires are recording scores on the playing schedule at each field. Tournament headquarters is at Armstrong 1.

All teams except for the lowest ranked team in pool A go to the single elimination playoff. Your place of entry into the playoff bracket is determined by your ranking within your pool. Use the seeding criteria from the Rules (Win-Loss record, then head-to-head, then run differential) to order the teams #1, #2, #3 and #4 within your pool. (So A#4 means the fourth-place team in the A pool after pool games are played.) In the first round of the playoff, the fourth-place teams in each pool move to a nearby field (as shown below) to play the third-place team from that pool. (Example: the fourth-place team from the E-town pool, B#4, moves to Gov. Stable to play the third-place team, C#3, from the Gov. Stable pool.)

Notice that although the D pool games are played at Fuhrman Lights field, the "D field" switches to Armstrong 2 for the elimination playoff. So the team ranked #3 from the Lights field (D pool) will need to move to Armstrong field 2 for the first playoff game.

The first round of the elimination matches up all of the third and fourth place teams. As soon as you know you are in third or fourth place in your pool, go to the correct field so you are ready to play at 2:30.

In the second round of the playoff, the second-place pool teams play the winners from the first round as shown in the bracket. Second-place teams, consult the bracket below as soon as you know you are #2 in your pool to see which field you play on at 3:30. Send one of your players to that field for the 2:30 game to act as a base umpire.

The third round matches the first-place pool teams against the winners from the second round. From there on, it's standard single elimination. The playoff bracket is designed so that two teams from the same pool will not face each other until the finals.

Teams are asked to supply base umpires during the playoff as follows: For the 2:30 and 3:30 games, the team scheduled to play the next game on the field is responsible to supply a base umpire. (For example, team B#2 umpires the 2:30 game at Armstrong 1. Team B#1 umpires the 3:30 game at GovStb.) For the 4:30 games, the loser of the 3:30 game on that field is asked to supply a base umpire. The tournament will supply two umpires for the last three games.
