You will play each of the other teams in your pool for your first three games. Each pool has its own field (as shown) for the morning on Saturday. We balanced the strength of the teams in each pool based on your W-L record this season and your results in last year's tournament.

We want you to play teams you have not played recently. So for example, no other team from your league is in your pool. None of the teams you played last year in either pool or playoff are in your pool this year. For this year, the teams from York and Ephrata are the "distant" teams and are listed as teams 3. and 4. within each pool. All other teams are considered more "local" and are teams 1. and 2. within the pool.

We also try to mix up the fields. Most teams have a pool field different from last year.

Winner of coin toss gets choice of home or away in pool games. Home team offers a prayer before the game.

The team in parentheses is responsible to supply a base umpire. The tournament supplies plate umpires for all games.

At the end of pool play, determine your ranking within your pool using the seeding criteria in the Rules document. Winner of the last pool game, please text or phone me (717-799-9550) with the scores from your pool (umpires are recording scores, check the paperwork at your field).

All teams go to the single elimination playoff. Your place of entry into the playoff bracket is determined by your ranking within your pool. Use the seeding criteria from the Rules (Win-Loss record, then head-to-head, then run differential) to order the teams #1, #2, #3 and #4 within your pool. (Example: in the elimination bracket, team A#2 is the second-ranked team from the A pool and is not necessarily the same as team A2)

The first round of the elimination matches up all of the third and fourth place teams. As soon as you know you are in third or fourth place in your pool, go to the correct field so you are ready to play at 2:30.

In the second round of the playoff, the second-place pool teams play the winners from the first round as shown in the bracket. Second-place teams, consult the bracket below as soon as you know you are #2 in your pool to see which field you play on at 3:30. **Send one of your players to that field for the 2:30 game to act as a base umpire.**

The third round matches the first-place pool teams against the winners from the second round. From there on, it's standard single elimination. The playoff bracket is designed so that two teams from the same pool are unlikely to face each other until the finals.

In all playoff games, the higher ranked team gets choice of home or away. When equally ranked teams play, use the coin toss.

**Teams are asked to supply base umpires during the playoff as follows:** For the 2:30 and 3:30 games, the team scheduled to play the next game on the field is responsible to supply a base umpire. (For example, team B#2 umpires the 2:30 game at E-town. Team C#1 umpires the 3:30 game at GovStb.) The tournament will supply two umpires for all games at 4:30 and later.

**Rain delay at 3:00pm, lasted until about 4:30. Fields at E-town and GovStable were unplayable. All games resumed on the two Armstrong fields.**
